RE: Draft Permit  
Quitman Water Pollution Control Plant (WPCP)  
LAS Permit No. GAJ020022  
Brooks County, Suwannee River Basin

Dear Mayor McDaniel:

The Environmental Protection Division (EPD) has received your application for renewal of the above-referenced permit. We are processing your application and are considering the issuance of a Land Application System (LAS) permit in accordance with the Georgia Water Quality Control Act, as amended, and the Rules and Regulations promulgated thereunder.

Before the permit can be reissued, EPD must complete the public notice requirements. The draft permit will be placed on the upcoming EPD public notice. Once posted, the public notice may be viewed on EPD's website at: <https://epd.georgia.gov/watershed-protection-branch-public-announcements>. At the end of the 30-day public comment period, EPD will make a determination on the reissuance of the permit.

Enclosed are the draft permit and additional documents. We request that all the documents be reviewed carefully by appropriate personnel. If you have comments or questions, please contact Anyssa Fernandez of my staff at 470.610.3096 or [anyssa.fernandez@dnr.ga.gov](mailto:anyssa.fernandez@dnr.ga.gov).

Sincerely,

Benoit Causse, Manager
