

**PART III.**

**INDUSTRIAL PRETREATMENT PROGRAM FOR PUBLICLY OWNED TREATMENT WORKS (POTW)**

1. At the present time a determination has not been made as to whether the permittee will be required to establish and operate an approved industrial pretreatment program.
2. If the Division determines that the permittee is required to develop an industrial pretreatment program at the local level, the Division will notify the permittee of such requirement. Upon written notification from the Division, the permittee shall immediately begin development and submission of an approvable industrial pretreatment program no later than one year after the date of the notification.
3. During the interim period between determination that an industrial pretreatment program is needed and approval of the program by the Division, all industrial pretreatment permits shall be issued by the Division.
4. The permittee shall notify the Division of all industrial users connected to the system or proposing to connect to the system from the date of issuance of this permit.
5. Implementation of the Pretreatment Program developed by the State, can be delegated to the permittee following the fulfillment of requirements detailed in Chapter 391-3-6 Part .09 of the Rules and Regulations for Water Quality Control.
