117 in accordance with this subsection as part of that permit
118 application. The department may not approve a permit for a new
119 or expanded surface water discharge unless the plan meets one or
120 more of the conditions provided in paragraph (a).

121 (f) By December 31, 2021, and annually thereafter, the
122 department shall submit a report to the President of the Senate
123 and the Speaker of the House of Representatives which provides
124 the average gallons per day of effluent, reclaimed water, or
125 reuse water that will no longer be discharged into surface
126 waters by the utility and the dates of such elimination; the
127 average gallons per day of surface water discharges that will
128 continue in accordance with the alternatives provided in
129 subparagraphs (a)2. and 3., and the level of treatment that the
130 effluent, reclaimed water, or reuse water will receive before
131 being discharged into a surface water by each alternative and
132 utility; and any modified or new plans submitted by a utility
133 since the last report.

134 (g) This subsection does not apply to any of the following:

135 1. A domestic wastewater treatment facility that is located
136 in a fiscally constrained county as described in s. 218.67(1).

137 2. A domestic wastewater treatment facility that is located
138 in a municipality that is entirely within a rural area of
139 opportunity as designated pursuant to s. 288.0656.

140 3. A domestic wastewater treatment facility that is located
141 in a municipality that has less than \$10 million in total
142 revenue, as determined by the municipality's most recent annual
143 financial report submitted to the Department of Financial
144 Services in accordance with s. 218.32.

145 4. A domestic wastewater treatment facility that is
