[Verse 1]

The native moon and
Native sun
Into your waters
Colors run
Up from the earth
Got to be free
Flowers spring up
For all to see

[Chorus]

Oo-eee
Echo River calls to me
Suwannee
Flowing wild and free
Oo-eee
Liquid echos call to me
Suwannee
Flowing wild and free

[Verse 2]

Crooked black water
With pretty white shores
Into the gulf your waters pour
All through time you’ve
Floated on by
Your fresh water
Giving life

[Chorus]

Oo-eee
Echo River calls to me
Suwannee
Flowing wild and free
Oo-eee
Liquid echos call to me
Suwannee
Flowing wild and free

[Verse 3]

Each year we gather by your shores
To share some music and share some lore
We’ve all been shaped by this land
The old black river and its banks of sand

[Chorus]

Oo-eee
Echo River calls to me
Suwannee
Flowing wild and free
Oo-eee
Liquid echos call to me
Suwannee
Flowing wild and free
