

# Implementation Considerations

40B-21.275

Factors the District shall consider include:

- (a) The source of the water supply experiencing the shortage;
- (b) The relative impact of the various categories of water users on the water body for which the shortage is declared;
- (c) The availability and practicality of alternative sources;
- (d) The relative economic impacts that the restrictions are likely to have on each category of user.
