

Implementation Considerations

...distributes the burden of the restrictions equitably among water users, relative to their impact on the sources experiencing the shortage;

- (e) The potential for serious harm to natural systems;
- (f) Water shortage plans of local governments;
- (g) The appropriate geographic scope of the restrictions;
- (h) The effectiveness of the restriction imposed in terms of reducing water use and protecting the relevant water supply source; and
- (i) The impact of the water use reduction methods and means on the public health, safety and welfare.
