

SPECIAL PROVISIONS

Location of Resurfacing Work: The locations of the work are within the City of Valdosta, more specifically: the north end Forrest Street Extension and Knights Academy Road and 4121 Bemiss Road.

Description of Work: The work consists of the following:

The Knights Academy Road work consists of the installation and construction of a sanitary sewage lift station, installation of about 2200 linear feet of new gravity sanitary sewer, installation of about 5800 linear feet of sewer force main, and other demolition, repair and patching, grading, grassing, and all related work.

The Goodyear work consists of installation and construction of a sanitary sewage lift station, installation of about 500 linear feet of new gravity sanitary sewer, installation of about 750 linear feet of sewer force main, about 150 linear feet of watermain, and other demolition, repair and patching, grading, grassing, and all related work.

Schedule of Work: The Contractor shall submit a schedule of work to the City Engineer's office before construction begins. Times of construction shall be 8:00 AM to 6:00 PM Monday through Friday and 9:00 AM to 4:00 PM on Saturday.

Clarifications and Special Conditions:

1. The Owner shall adjust the line item quantities as required to bring project cost to within the available funding.
2. In addition to the Pre-Construction Meeting, the Contractor shall establish a regular schedule for bi-weekly project status meetings with City Engineering Department staff.
3. The Contractor shall be responsible for notifying adjoining land owners of construction schedules which impact existing driveways and access to private property.

Notice to Proceed: Upon written notice by the City Engineer, work will begin immediately.

Time of Contract: The Contractor shall start upon notice to proceed by the City Engineer and shall have **360 consecutive calendar days** to complete the work. In the event the Contractor shall not complete the work within the time limit, or extended time limit agreed upon, **liquidated damages shall be paid to the Owner at the following rate of \$400.00 per day.**

Construction Standards: All construction shall be in accordance with the latest edition of the Georgia Department of Transportation Standard Specifications –
