

- Why is SRWMD a junior non-voting partner along with JEA, GRU, Clay Utilities, and St. Johns Co. Utilities?
- Where is the evidence that the source wastewater plant would remove PFAS forever chemicals, drugs, and artificial sweeteners?
- Why should we believe that JEA's Buckman wastewater plant will never fail and send untreated wastewater through the pipe,
  - despite being bigger than Valdosta's wastewater system, which has repeatedly failed?
