

Ice Castle Creek Map

What we're calling Ice Castle Creek comes in from the left bank of Cat Creek not far below Beaverdam Creek. It has a subdivision at its top on Mill Pond Place and Water Lily Way, fields and a pecan grove, and the Beaver Ridge Road subdivision that did not exist when the 2013 Withlacoochee Plan was written. Most of that is in Lanier County. In Berrien County, Southern Recycling Industries and Big Creek Trucking are at 64 Pauline Avenue, and there are houses downstream through Park Street Extension.
