Do you believe your jurisdiction will be affected by the proposed development? Yes  No   
 Please describe the expected impacts (positive and negative) on your jurisdiction.

positive - none

negative - increased cost of electrical service

- increased cost of electrician services
- decreased availability of productive farmland
- increased use/consumption of energy
- increased speed of loss of tax paying jobs resulting from AI subsidies
- decreased income opportunities resulting from lack of community ownership
- increased noise of power generation & active thermal management
- permanent loss of other revenue
