

**AGENDA REQUEST FOR
GOVERNING BOARD MEETING
July 14, 2026**

MEMORANDUM

TO: Governing Board

THROUGH: Michael A. Register, P.E.
Executive Director

FROM: Clay Coarsey, Director
Division of Water Supply Planning and Assessment

SUBJECT: St. Johns County Utility Department, 1198-10

RECOMMENDATION

Approve Consumptive Use Permit 1198-10, known as St. Johns Utility Department (SJCUD). This application is a consolidation and renewal of existing public supply permits with a proposed allocation of 21.58 mgd through 2046. If special permit conditions are met, the permitted allocation will increase from 21.58 to 27.11 mgd.

The attached Technical Staff Report includes a summary of the requested use and proposed permit conditions.
