RESOLUTION NO. 2016- 22

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF SUWANNEE COUNTY, FLORIDA, SUPPORTING THE MOVEMENT OF THE SABAL TRAIL "HILDRETH" COMPRESSION STATION

WHEREAS, citizenry of Suwannee County have raised concerns regarding Sabal Trail Transmission, LLC's relocation of the "Hildreth" compression station (Compression Station 5) to an area outside of historically denominated "Hildreth" area of the county to the second option location (Compression Station 5, option 2) at approximately the intersection of County Road 49 and Market Road (216th Street); and

WHEREAS, the citizenry has raised concerns that the shift in location to the secondary option site has brought the compression station location and its recurring noise and potential environmental, health and safety impacts in closer proximity to a more densely populated rural residential area; and

WHEREAS, the Board recognizes the increased net change in potentially affected residential properties and desires to express the concerns of its citizenry to Sabal Tail Transmission LLC.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, Suwannee County, Florida as follows:

That the Board of County Commissioners, Suwannee County, Florida, does hereby request Sabal Trail Transmission, LLC reconsider the location of the "Hildreth" compression station (Compression Station 5, option 2) and move said compression station to another location along the proposed route where there would be a net decrease in the rural residential properties affected by the location.

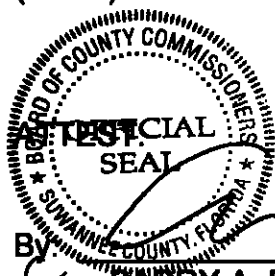

PASSED, ADOPTED and APPROVED, this 17th day of ~~January~~ ^{November}, 2015.

BOARD OF COUNTY COMMISSIONERS OF SUWANNEE COUNTY, FLORIDA
